MARY HAD A LITTLE LAMB

Mary had a little lamb, little lamb, little lamb
Mary had a little lamb, its fleece was white as snow

And everywhere that Mary went, Mary went, Mary went
Everywhere that Mary went, the lamb was sure to go

It followed her to school one day, school one day, school one day
It followed her to school one day, which was against the rule

It made the children laugh and play, laugh and play, laugh and play
It made the children laugh and play, to see a lamb at school

And so the teacher turned it away, turned it away, turned it away
And so the teacher turned it away but still it lingered near

And waited patiently about, patiently, patiently
And waited patiently about till Mary did appear

But Spot the dog brought back the lamb, back the lamb, back the lamb
But Spot the dog brought back the lamb to join the other sheep

OATS AND BEANS AND BARLEY GROW

Oats and beans and barley grow,
Oats and beans and barley grow,
Can you or I or anyone know
How oats and beans and barley grow?

First the farmer plants his seed,
Then he stands and takes his ease,
Stamps his foot and claps his hands,
And turns around to view his land

Oats and beans and barley grow,
Oats and beans and barley grow,
Can you or I or anyone know
How oats and beans and barley grow?

Next the farmer waters the ground,
Watches the sunshine all around,
He stamps his foot and claps his hands
And turns around to view his land

Oats and beans and barley grow,
Oats and beans and barley grow,
Can you or I or anyone know
How oats and beans and barley grow?

After weeks of sun and air
The Farmer picks the crops right there
Stamps his foot and claps his hands
And turns around to view his land

Oats and beans and barley grow,
Oats and beans and barley grow,
Can you or I or anyone know
How oats and beans and barley grow?

FARM CHORES

This is the way we milk the cows
Milk the cows, milk the cows
This is the way we milk the cows
So early in the morning

This is the way we feed the chicks
Feed the chicks, feed the chicks
This is the way we feed the chicks
So early in the morning

This is the way we collect the eggs
Collect the eggs, collect the eggs
This is the way we collect the eggs
So early in the morning

This is the way we dig the fields
Dig the fields, dig the fields
This is the way we dig the fields
So early in the morning

CHICK, CHICK, CHICK, CHICK, CHICKEN

Chick, chick, chick, chick, chicken,
Lay a little egg for me

Chick, chick, chick, chick, chicken
I would like one for my tea
I haven't had an egg since breakfast
And would like one for my tea

So, chick, chick, chick, chicken,
Lay a little egg for me

Chick, chick, chick, chick, chicken,
Lay a little egg for me

Chick, chick, chick, chick, chicken
I would like one for my tea
I haven't had an egg since breakfast
And would like one for my tea

So, chick, chick, chick, chicken,
Lay a little egg for me

THE UGLY DUCKLING

There once was an ugly duckling
With feathers all stubby and brown
And the other birds in so many words
Said "brr" Get out of town
Brr get out, brr, brr, get out, brr, brr get out of town
And he went with a quack and a waddle and a quack
In a flurry of eiderdown

That poor little ugly duckling
Went wandering far and near
But at every place they said to his face
Now brr get out of here
Brr, get out, brr. brr, get out, brr, brr get out of here
And he went with a quack and a waddle and a quack
And a very unhappy tear

All through the winter time he hid himself away
Ashamed to show his face, afraid of what others might say
All through the winter in his lonely clump of wheat
Till a flock of swans spied him there and very soon agreed
You're a very fine swan indeed
A swan? Me a swan? Ah, go on!
And he said yes, you're a swan
Take a look at yourself in the lake and you'll see
And he looked, and he saw, and he said

I am a swan! Wheeeeeeee!
I'm not such an ugly duckling
No feathers all stubby and brown
For in fact these birds in so many words said
Brr the best in town, brr, the best, brr, the best brr, brr, the best in town

Not a quack, not a quack, not a waddle or a quack
But a glide and a whistle and a snowy white back
And a head so noble and high
Say who's an ugly duckling?
Not I! Not I!

I'M A LITTLE PIGGY

I'm a little piggy
Short and stout
Here are my ears
And here is my snout

When I see the
farmer in the dale
I oink, oink, oink
And wiggle my tail

I'm a little piggy
Short and stout
Here are my ears
And here is my snout

When I see the
farmer in the dale
I oink, oink, oink
And wiggle my tail

And eyes and ears and mouth and a nose

Ankles, elbows, feet and seat, feet and seat
And hair and hips and chin and cheeks
Ankles, elbows, feet and seat, feet and seat.

Head, shoulders, knees and toes, knees and toes
Head, shoulders, knees and toes, knees and toes
And eyes and ears and mouth and a nose

Ankles, elbows, feet and seat, feet and seat.

HORSEY, HORSEY

Grandpa Farmer's dapple grey
He takes to town on market day
Coming home when the lights are low
He sings this song as away they go

Horse, Horse don't you stop
Just let your feet go clipity clop
Your tail goes swish and the wheels go round
Giddy up we're homeward bound

We're not in a hustle - we're not in a bustle
So don't go tearing up the road
We're not in a hurry - we're not in a flurry
We've not got a very heavy load

Horse, Horse on your way
We've done this journey many a day
Your tail goes swish and the wheels go round
Giddy up we're homeward bound

Horse, Horse don't you stop
Just let your feet go clipity clop
Your tail goes swish and the wheels go round
Giddy up we're homeward bound

We're not in a hustle - we're not in a bustle
So don't go tearing up the road
We're not in a hurry - we're not in a flurry
We've not got a very heavy load

Horse, Horse don't you stop
Just let your feet go clipity clop
Your tail goes swish and the wheels go round
Giddy up we're homeward bound

SPLISH SPLASH SPLOSH

Let's put our eyes up to the skies
The clouds are dark and grey
It's time to put our wellies on
It's time to go and play

The rain drops are now falling down
Umbrellas we forget
So give a shout, let's all go out
We're ready to get wet

Fall rain
Pour rain
All we want is more rain

SPLISH SPLASH SPLOSH
The skies have opened up again
Time to go play in the rain
We're gonna have such fun today

SPLISH SPLASH SPLOSH
In puddles we jump up and down
Splashing around and around
Fun, fun, fun

SPLISH SPLASH SPLOSH
The skies have opened up again
Time to go play in the rain
We're gonna have such fun today

SPLISH SPLASH SPLOSH
In puddles we jump up and down
Splashing around and around
Fun, fun, fun

Fall rain
Pour rain
All we want is more rain

Let's all splash each other
Splash my rain hat and my coat
Jump up and down, spin round and round
We all love getting soaked

The rain is falling heavy now
We're squelching in the mud
So let's all shout, nice and loud
We just can't get enough

Fall rain
Pour rain
All we want is more rain

SPLISH SPLASH SPLOSH
The skies have opened up again
Time to go play in the rain
We're gonna have such fun today

SPLISH SPLASH SPLOSH
In puddles we jump up and down
Splashing around and around
Fun, fun, fun

SPLISH SPLASH SPLOSH
The skies have opened up again
Time to go play in the rain
We're gonna have such fun today

SPLISH SPLASH SPLOSH
In puddles we jump up and down
Splashing around and around
Fun, fun, fun

I CAN PUT MY CLOTHES ON BY MYSELF

I can put my clothes on all by myself;
I don't need help from anyone.
I go through my drawer
And choose what I adore
Then proudly check the mirror when I'm done.

So what if both my socks are not the same;
I like getting dressed when I can choose.
If one sock is white and red,
And one is blue instead,
My feet will still stay warm inside my shoes.

And when I wear red jeans with my purple hat,
You may think they clash with my green shirt.
But I might have a style
That helps the world to smile,
And surely you'll agree that cannot hurt.

Oh, I can put my clothes on by myself!
I don't need help from Mum or Dad.
It takes more time I know,
Right now I'm kind of slow,
But taking time is really not so bad.

'Tho I can't tie my shoes like others can,
It won't be long till I can do it too.
'Tho I'm just learning how,
I have no problem now,
My Velcro shoes will do just fine, thank you!

So what if I wear winter clothes in spring;
I'll just throw some off if I get hot,
Who cares if I'm not dressed
The same as all the rest;
I can put my clothes on all by myself!
Yes, We can put our clothes on by ourselves

UNTIL ANOTHER DAY

Now our day is done
We've had such a lot of fun
Now it's time to go
So please don't be slow
Say Goodbye to everyone
Until Another Day

Put your things away
It's time for us to say
Goodbye to the animals on the farm
I hope they will not come to any harm
Until Another Day

Now the darkness gathers
Stars begin to peep
Birds and all the animals
Soon will be fast asleep
Say Goodbye to everyone
Until Another Day
